2016 Seminar Schedule

Travel Trailer Basics

Wednesdays: 9 - 11am - Free - (by Jon Gold)

Get to know more about your travel trailer, including types of hitches, how to safely hook-up your trailer, braking, adjusting your mirrors, sway control and backing into your campsite. There will also be a Q&A session as well as videos to walk you through the steps to becoming a better and safer RVer.

Fifth Wheel Basics

Wednesdays: 10am - 12pm - Free - (by Jon Gold)

Learn the fundamentals about your fifth wheel: from static vs. dynamic hitches, short-bed vs. long-bed trucks, to hitching and unhitching safely, to adjusting your mirrors, to turning and backing into your campsite - this course covers a little bit of everything fifth wheel owners want to know. In addition, this seminar includes a Q&A session and helpful videos that will help steer you in the right direction throughout your RV travels.
