SEMINAR DESCRIPTIONS

All About Furniture

Tired of the old drab furniture? Come explore our selection of new furniture for your RV. From sofas, recliners, & mattresses. Most furniture is on display to show the benefits and features live.

Basic Fire Safety

If a fire happens in your RV, would you know what to do or how to operate the fire extinguisher? Learn basic fire safety, from how to prevent a fire to the types of extinguishers and how to use them.

Basic LP Safety

"What is that Smell?" Learn the basics of LP (Liquid Petroleum) safety and about the LP Leak Detector operations.

Basic RV Electricity

Protect your RV from damaging electrical hazards. Discover the dangers of plugging into the "post" at any campground, along with the four potential wiring faults and the problems they cause.

Cleaning Products for Your RV

Learn what products are the best for cleaning your RV from the tires to the roof and what accessories will make cleaning easier.

Convection Oven and Induction Cooktop

Come explore a healthier lifestyle and receive valuable cooking tips for your Sharp convection microwave oven and the Induction Cooktops. You can cook and eat healthier while still having fun.

Cord Cutter Media Box

Cord Cutter is a smart TV box that streams in HD with no monthly fees or contracts and will give you access to movies, TV shows, live sports, live streams of your favorite TV channels, PPV events, 4K & 3D movies in HD!

Customizing Your RV - Interior/Exterior - Wade RV

Find out how to upgrade your RV with custom interior & exterior accessories. Furniture repair & refurbishing to make your RV like new again. Plus custom mats & window coverings.

Do Camping Clubs Save You Money??

This seminar is sponsored by ELS (Equity Life Style) and they can answer this question for you plus show you how to save money in their beautiful campgrounds across the country.

Getting There Is Half the Fun - Trip Planning

What kind of trip are you planning? What do you need to consider before leaving home with your RV? What route will you be taking? These are basic questions you should have answers to before you begin your journey. This seminar will help you have the answers and get the most out of your trips.

GPS Navigation

Learn how to navigate with your GPS, general information and tips with one of our Tech Counter Expert. Bring in your GPS for hands on tips.

Honda Generators

Learn what size generator best fits your portable power needs along with the care and maintenance.

Introduction to RVing

Gain a greater understanding on how to safely operate and camp in your RV. Learn about traveling from point A to point B and find out how to make your RV camp ready.

On The Road To Healthy Living

Do you think about the foods you travel with, wonder why your back hurts while on the road, or have an app that helps track calories? This seminar discusses healthy tips to improve your wellness while traveling for a healthy living.

This schedule represents the current seminars being offered and is subject to change without prior notice. The seminars listed on this RV Training Seminars schedule do not constitute an endorsement by Lazydays of any information, opinions, products or services. Lazydays makes no warranties regarding any of the products or services offered in this seminar schedule.

Organizing Your RV

Learn simple & inexpensive ways to organize your RV, whether you are full timers or part timers. Bring your tips and share with the group.

RV Insurance

Take a lesson on the basics of RV insurance and have your questions answered by one of Lazydays' RV insurance experts.

RV Maintenance (General info)

Discover how you can troubleshoot RV maintenance issues and understanding your RV's service and maintenance schedule.

SIPPYPUP - Non-spill Dog Bowl

Discover how you can keep your pets refreshed on the road and your RV dry. This new pet bowl won't spill, tip or slide when turning, stopping, going over bumps or kicked. Come join us to see how it works and bring your pets to test it. Paws Approved and Proudly Made in the USA.

Small Appliances For Your RV

Would you like to make your RV cooking experience fun and easy? Join us for a presentation about the small appliances that are available just for the RV lifestyle.

Smart RVing Using Apps

Learn the apps available for use with a smartphone or tablet. Find out which apps make traveling in your RV more enjoyable – apps for navigation, photography, finding campgrounds, weather, news and many more.

Smart RV Products for Smart RVers

Learn about the JAS Remote Control for your RV's jacks, awnings, and slides. Control from where you are rather than from your existing, stationary control point. Easy to use interface and the app is available for iOS and Android.

Solar Power For Your RV

Learn the basics of Solar Energy. Find out how to capture sunlight to generate electricity for your RV when camping or when shore power may not be available. This is a very basic introductory class.

Tire Safety

Discover how to protect your family and RV from blowouts and tire failure. Receive information on nitrogen fills, tire pressure monitoring systems, increasing RV tire life, and more.

Towable RV Basics

Learn how to tow your travel trailer or fifth wheel safely behind your vehicle. From adjusting your mirrors to turning and backing into your campsite, you'll gain fundamental knowledge about your towable RV. This part of the seminar is a classroom-only and complementary to all.

Towing Behind Your RV (Motorhome) - Blue Ox

Going to tow a vehicle behind your motorhome? Have questions about the equipment or the do's & don'ts? Learn how to properly hook up and tow a vehicle safely behind your motorhome. Presented by Blue Ox.

Traveling With Your Pets

This seminar will give you helpful information on how to travel with your pets, keeping them safe and making the experience enjoyable for all.

Understanding Your Holding Tanks

An educational seminar which presents the following important topics: RV Plumbing System Basics, Probiotic Waste Management, Safe Biological Waste Removal, as well as essential tank flushing and cleaning.

Winegard Connect WiFi Extender

Finally! A secure Internet solution with increased speed and range. Simple to set up & easy to use. Learn how in this seminar.
